

## Advancing Gender and Racial Equity in the Field of Educational Measurement

Dr. Susan Lyons is the Executive Director of a volunteer-led, non-profit organization aimed at advancing gender and racial equity in the field of educational measurement. Dr. Lyons works alongside Chief Operating Officer, Dr. Jennifer Dunn, Chief Strategy Officer, Dr. Fiona Hinds, and the esteemed Board of Directors to fundraise and carry out strategic programs aligned with the organization's mission. These programs and events include:

- ★ Offering research fellowships and funded research opportunities
- ★ Running free mentoring sessions for all women and mentoring circles for supporting women of color in the field
- ★ Hosting networking events and disseminating awards
- ★ Coordinating conference sessions and speaking opportunities
